OFX solution for online retailers  
and marketplace sellers

Edward Wiley

---

Online Sellers 2018

# Want an overseas bank account? OFX can help

We offer you the equivalent of a local bank account in today's most profitable international markets: USD, AUD, EUR, GBP, CAD and HKD.

FAST

SAFE

EASY

# OFX's low 0.85% margin vs 3.85%\*

Cross border payments can be costly for your business. Marketplaces and payment providers charge high margins on your transfer plus additional transaction fees.

**You could save  
up to \$3,000  
for every \$100K  
you transfer. By  
switching  
to OFX.**

\*Average savings based on a sample of published transaction fees for cross border payments provided by Amazon and PayPal dated 8.24.16. Quoted savings are not indicative of future savings. Third party intermediary fees may apply

# How OFX helps you keep more of your profits:

Sell globally on your website or online marketplaces like Amazon, eBay

The marketplace sends your revenue to your OFX virtual account.

\$0 OFX wire fees and only 0.85% Margins\* on your international transfers

Save up to \$3,000 or more for every \$100K transferred internationally\*

\*Average savings based on a sample of published transaction fees for cross border payments provided by Amazon and PayPal dated 8.24.16. Quoted savings are not indicative of future savings. Third party intermediary fees may apply
